## October 2007

Life in Taiwan is never dull!

### Praise that:

- The Men of Honor class and the father son breakfast are beginning well and the guys are interested and responding well.
- Malia is having a great time in sixth grade and has adapted well to the extra work load.
- The year got off to a challenging start with lots of computer and network problems but things are starting to come together.
- God continues to meet our needs by providing additional support.

### Pray for:

- Wisdom as the school refines timelines and plans for our new library, middle school, elementary school and faculty housing.
- Dwight as he creates the "Men of Honor" high school Bible class. Ask Dwight for information about the class if you are interested in learning more.
- Beckie that she is able to offer help and encouragement to young moms with kids.
- Malia to continue to grow in love and knowledge of God.
- a good replacement for next year to do Dwight's job.
- God to raise up people to increase our support level to 100%.
